Registration 8:30 AM
9:00 AM - 3:00 PM

SCHEDULE

Registration: 8:30-9:00 AM

SESSION I: 9:00-10:00 AM

A. BEHOLD THE BUTTERFLY!

Speaker: Ann Burns, Environmental Education Coordinator, Hurstville Interpretive Center will talk about the migration of Monarchs and how you and your garden can play a part. She recently returned from a migration trip to Mexico.

B. RAIN GARDENS

Speaker: Wayne Petersen, Urban Conservationist, will provide background information on new storm water management strategies with an emphasis on design, installation and maintenance of rain gardens for home landscape.

C. NEW ANNUALS & PERENNIALS

Speaker: Katheryn Newman, Landscape Designer, Sunnyfield Greenhouse and Gardens, Galva, IL, will present the latest in annuals and perennials to beautify your gardens for all seasons. She will help you learn how to select, design, maintain and winterize your favorite flowers.

SESSION II: 10:00-11:00 AM

A. YOU CAN EAT THAT?

Speaker: Margo Hansen, Eastern Iowa horticulturist, will entertain you with tales of edible plants, flowers, weeds and seeds you would not believe. Do try this at home!

B. INSECTS IN WOODY ORNAMENTALS

Speaker: William McAdams, Coordinator of Urban Conservation for State of Iowa, will discuss insect and disease problems of landscape plants, where they exist in our area and the best way to avoid them.

C. COLORFUL CONIFERS, THE FOUR SEASON PLANTS

Speaker: Ellen Kelley, President of American Conifer Society. Ellen will discuss various species and their cultivars: identification, care, maintenance, planting and use of dwarf conifers in the landscape.

SESSION III: 11:00-12:00 KEYNOTE

BEST SHADE & ORNAMENTAL TREES FOR IOWA

Jeff Iles, Chair, Dept. of Horticulture, ISU, will explain with visual aides shade tree species and cultivars appropriate for the state of Iowa. Do you have a favorite? Be prepared to share!

12:00-1:00 LUNCH

SESSION IV: 1:00- 2:00 PM

A. NEW ANNUAL & PERENNIALS

Speaker: Katheryn Newman

Repeat of Session I C

B. TREES THAT “CRAB” YOU BY THE COLLAR AND THROW YOU DOWN

Speaker: Jeff Iles will highlight an assortment of crabapple species appropriate for Iowa landscapes.

C. BIRD DIVERSITY & HABITAT

Speaker: Kelly McKay field biologist, will discuss preserving habitat diversity along the Upper Mississippi River.

SESSION V: 2:00-3:00 PM

A. HUMAN IMPACT ON BIRD POPULATIONS

Speaker: Kelly McKay will show the human impact on roosting sites for Bald Eagles.

B. RAIN GARDENS

Speaker: Wayne Petersen

Repeat of Session I B

C. INSECTS IN WOODY ORNAMENTALS

Speaker: William McAdams

Repeat of Session II B
